

Digital Door Viewer™

A New Look for Senior Security

Digital Door Viewer™

The Digital Door Viewer (DDV) increases
security at every door!

One look and everyone agrees.

Digital Door Viewer™

Peepholes are hard to use and see through.

Not being able to see is dangerous!

Digital Door Viewer™

Using the DDV is easy, effortless and what a view!

Digital Door Viewer™

Front of camera on the outside of the door is less than 1 inch in diameter and extends out less than 1/16 inch. Callers cannot see anything inside.

Digital Door Viewer™

The Digital Door Viewer replaces peepholes in

- Senior living facilities
- Single family homes
- Hotel rooms
- Apartments
- Service entrances
- Pharmacies
- Any security area

Digital Door Viewer™

The DDV gives people

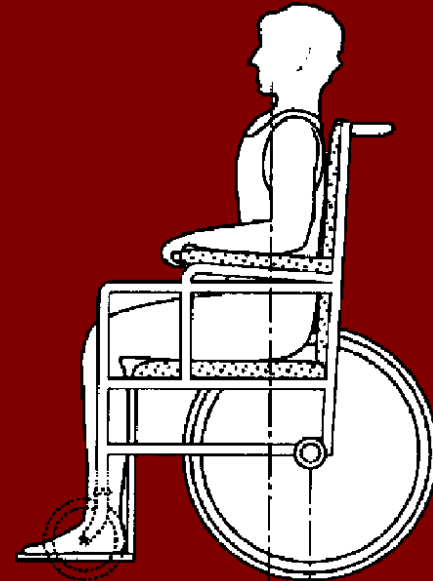

- Greater security
- Independence
- Peace-of-mind

Digital Door Viewer™

The Digital Door Viewer - easy to use

- for persons in a wheelchair
- with physical handicaps
