

## Slimline Personal Help Button

Reliable button design allows elders to live confidently

Lifeline's comfortable and attractive Slimline Personal Help Button is designed to help elders access immediate assistance when needed while encouraging constant wear for continuous protection. At the same time the button meets a community's need for troubleshooting, cleaning and reliable performance.

The Slimline Personal Help Button is small, lightweight, and completely waterproof to provide maximum comfort and flexibility. Its attractive design reduces the stigma associated with wearing a personal help button. The Slimline can be worn as a pendant with an adjustable neck cord or easily converted to wrist strap wear with a soft, adjustable elastic strap.

### Automatic Low Battery Detection

The Slimline Personal Help Button automatically detects and reports low battery conditions.

- Engineered to help elders maintain their dignity and sense of self-worth
- Attractive, waterproof, comfortable design encourage constant wear and continuous protection
- Large activation surface easily facilitate help summoning under stress
- Adjustable neckcord or wriststrap wearing options provide user choice
- Built to the highest quality industry standards to withstand daily wear

# Personal Help Button Accessories

## Adjustable Neckcord

Made of softer, hypo-allergenic material, this improved neck cord is more comfortable for subscribers with sensitive skin.

Easy to adjust, the neck cord allows subscribers to wear their Personal Help Button at any length they desire. (Black)

## Quick Release Clasp

The quick release clasp easily attaches to the Slimline Personal Help Button and allows for quick and easy change of neck cords or chains. Available in white. Order in packages of 12.

## Expandable Wrist Strap

This elastic wrist strap with plastic clasp adjusts to individual wrist size and stretches for easy on/off movement. Available in two lengths: 8 1/4" and 9 1/4".

## Spring Clip for Belt

The spring clip fastens the Personal Help Button to a belt or clothing allowing for more wear choices and continued protection.

## Watch Pin

Provided to easily attach the wrist strap, neckchain or adjustable neckcords to the Personal Help Button.

## Watch Pin Removal Tool

Useful tool to easily fit and remove watch pins from Personal Help Buttons.
